

## CSM3NET C08-129

## 3,5" Multi Media Player Network

This media player with a network connection is your personal storage box carrying all your favourite music files, photos and movies. Thanks to the big storage capacity and easy set up, you can connect it directly to your TV and select anything you would like to watch or hear. The CSM3NET offers a built-in card reader and also a USB host port to watch the photos or videos directly from a flash card or to connect an additional hard disk or USB drive. The 10/100mbps LAN connection even allows you to easily copy files from your computer directly to the built-in hard drive over your network. Just simply connect the CSM3NET to any TV in your home, hotel or at your friends and you can enjoy your own digital entertainment. The player works standalone (without computer).

### Highlights

- Copy movies from your PC to the media player over the network
- Incl. card reader
- USB host port and optical audio

### Orderinformation

Product Code : CSM3NET  
Order Code : C08-129  
EAN Code : 8714909012485  
In a Box : 5
